

**Are you looking for an integration course near you?** We offer Integration courses in various parts of Essen. The courses take place in the morning and in the afternoon. Our classes are located in Altenessen, Altendorf, Frohnhausen, Katernberg and in the Nordviertel.

We provide integration courses for different target groups. We'll find the right course for you by using a placement test. This placement test is mandated by the Bundesamt für Migration und Flüchtlinge (BAMF).

We provide these types of integration courses:

■ **General integration course**

It doesn't matter whether you already know a little bit of German or whether you start from the beginning we'll prepare you for the Deutshtest für Zuwanderer (DTZ)

Duration: 6 modules à 100 lessons plus 100 lessons citizenship course (Leben in Deutschland)

■ Literacy courses

If you need help to learn how to read and to write a literacy course will be the right course for you.

Duration: 9 modules à 100 lessons plus 100 lessons citizenship course (Leben in Deutschland)

■ Refresher course

You didn't pass the final exam? No problem. You can apply for additional lessons and you can repeat the DTZ exam afterwards.

Duration: 3 modules à 100 lessons

■ Integration course with child care

You don't know who will look after your children while you are learning German? We provide integration courses with child care in several parts of Essen especially for children who do not go to kindergarten or something similar.
